ATTORNEYS AND COUNSELORS

TO OUR 2023 JUSTICE BASH SPONSORS

We've never had so many noncitizens in Buffalo needing legal services than now. The need far exceeds our reach. Please consider representing an asylum seeker. No experience is necessary....just a true desire to work with this population. VLP will provide training and will assign each referral a mentor attorney that will be available to you from start to end.

Translation/interpretation costs are covered. We promise you a rewarding experience. If you have even the slightest bit of interest, please reach out for more information.

IMMIGRATION VOLUNTEERS NEEDED!

VLP now offers one-hour lunch and learn trainings to discuss available pro bono opportunities and provide .5 CLE credit in Ethics or Diversity/Inclusion....your choice. We'd love to meet you this winter . . . in-person at your firm or live via Zoom
